

ROSEMARY CLOONEY

## Police To Hold Benefit

Rosemary Clooney will appear at the forthcoming Torrance Police Officers benefit show and dance to be held Saturday at 8:30 p.m. at the Long Beach Arena.

Rosemary Clooney is one of the few artists whose recordings have earned more than one gold record. Her versions of "Come-On-A-My-House" and "Half As Much" won her the coveted gold discs and "This Ole House" and "Hey There" brought her the even rarer platinum records reflecting sales in excess of two million copies.

It is estimated that her total record sales is well over 16 million. Her records, and movies as well as her radio, television, concert, and night club appearances, have earned her an international reputation.

## Truck, Train Collide; Woman Seriously Hurt

A 33-year-old woman injured early Saturday morning when her pick-up truck apparently slammed into a train remains in critical condition at Harbor General Hospital today.

Mrs. Janice Simonson, of 20315 S. Denker Ave., was pulled from beneath her truck about 5 a.m. Saturday by a witness to the crash, then rushed to the hospital

with severe internal injuries. She remains in the hospital's intensive care unit.

Torrance police said Mrs. Simonson's half-ton pickup collided with a train in the 20300 block of Western Avenue. Investigating officers said the warning devices at the railway crossing are "not sufficient" for the street.

WITNESSES told police they first saw Mrs. Simonson's truck just moments before it slammed broadside into the slow-moving train. One witness estimated the truck's speed at 60 to 65 miles per hour, officers reported.

Another witness said Mrs. Simonson apparently was thrown from the truck in the crash. He said he pulled her from beneath the truck when he noticed leaking gasoline. There was no fire, however.

POLICE investigating the crash said warning devices were in operation at the crossing, but said no flares had been placed in the roadway.

The pick-up truck was totally demolished in the crash. The engineer on the train was not injured.

## Burglary Charges Jail Man

A 22-year-old Los Angeles man was arrested by Torrance police on suspicion of burglary early Monday after a service station attendant became suspicious of the young man.

Police said officers checking businesses in the vicinity of Artesia and Crenshaw boulevards were called to a nearby service station by the night attendant.

The attendant called police after he observed the license plates of the vehicle in the trunk. Police questioned the young man and then found numerous tools in the vehicle.

Arrested on suspicion of burglary was Don Ray Castine, 22, of Los Angeles. He was booked at the Torrance City Jail about 5 a.m. Monday.

THE COUNCIL ruled that hearing Nollac's complaints as an appellate body would forfeit their right to rule on any charges that may be brought against the city engineer in the future. They refused Nollac the closed personnel session at this time.

"The whole idea for stretching this thing out is the same as it was in the beginning," Nollac claimed, "and that is: to fire Nollac."

When asked to comment on Nollac's remarks, Ferraro said, "I really wish I could say something, but my position precludes my making any comment until I have presented a definite charge against Mr. Nollac."

Funeral services will be conducted Saturday at 3 p.m. in the Green Hills Mortuary Chapel with Stone and Myers Mortuary in charge of all arrangements. Burial will be in Green Hills Memorial Park.

## Bonus Slated

Directors of United States Borax & Chemical Corp. declared a quarterly dividend of 25 cents per share on the 4,228,145 common shares outstanding. The dividend is payable Dec. 13 to stockholders of record Nov. 29.

Councilmen Wilson, Ken Miller, and Ross A. Sciarotta Sr. voted against the mayor's motions, while Councilmen Orin (Bud) Johnson, William Uerkwitz, and J. A. Beasley supported them.

ARGUMENTS for the Charter Review Committee's request were presented by Chairman Larry Bowman. Bowman said the initial draft submitted to the council was by no means a final draft. "However," he admitted, "it does suggest our intentions."

Isen asserted that these intentions included limiting the power of the city council and placing more power in the hands of non-elective officials.

COUNCILMAN Miller argued against dissolving the committee. "I don't see why this is the time to push the panic button. I say give

Johnson encouraged the public to react to the council decision. "Let's find out what the people want," he said, "and then go from there."

A second public hearing on the committee's tentative draft has been scheduled for Thursday at 7:30 p.m. That hearing apparently will be held as scheduled.
